Sir:

This is in reply to the Office Communication dated May 1, 2008 including an Interview Summary for the interview conducted on April 29, 2008 between applicants' attorney, John Chionchio, and Examiner James Hook.

Claim 1 was discussed along with cited reference AU-13469/95 to Madsen. Recitations considered new matter by the Examiner were discussed along with characteristics of the subject invention which would distinguish over the cited reference if recited in claims. The Examiner suggested that the use of separate fasteners, one to attach an insulation
